

I live in Durham, NC and listen to K-LOVE on 106.7 FM several hours each week.

Our local K-LOVE station serves our local community in the following ways:

1. Announcements of local events tailored to church audiences;
2. Reinforcing values and messages our children learn in church;
3. Providing family-friendly programming;

I believe displacing K-LOVE by an LPFM broadcaster providing other programming would have a negative impact in our community by removing a radio show with family-friendly programming;

I believe the service provided by K-LOVE is in the public interest because it offers a child-friendly alternative to the often immoral programs found across the radio dial.

Thank you,  
Maggie Jordan
